MILK MARKET ADMINISTRATOR'S CLASSIFICATION OF ACCOUNTS

ADMINISTRATOR'S OPERATIONS:

1-01 Administrator's Regular Fund

This account will represent the depository fund of the Milk Market Administrator, to be used for all deposits and disbursements arising from administrative operations.

1-02 Administrator's Special Fund

This account will represent the depository fund of any special assessments arising out of the Market Administrator's operations to be accounted for and used separately from the normal administrative operations for special purposes.

1-10 Accounts Teceivable - Regular Assessment

This account will represent charges to distributors for the regular assessment made to them for the purpose of accumulating operating capital in accordance with the provisions of the License.

1-11 Accounts Receivable - Special Assessment

This account will represent charges to distributors on any special assessments that may be necessary for the Market Administrator to make as might be authorized in the provisions of the License.

1-20 Office Furniture and Equipment

This account will represent the actual cost of furniture and equipment purchased for use by the Milk Market Administrator.

1-21 Supplies Inventory - Stationery and Printing

This account will represent the inventory at the end of any accounting period of stationery and printing supplies, whenever such supplies contain a value worthy of consideration as an inventory.

1-30 Vouchers Payable

This account will represent outstanding vouchers or invoices unpaid at the end of any accounting period for purchases applicable to the Market Administrator's operations.

grafi. V ar sag garaker

1-31 Notes Payable

This account will represent the amount of any Notes Payable by the Milk Market Administrator outstanding at the end of any accounting period, the liability of which has resulted from administrative operations.

1-40 Market Administrator's Operating Balance

This account will represent the operating balance of surplus arising from the administrative operations of the Market Administrator.

1-50 Income - Regular Assessments

This account represents the income arising from regular assessments of the Market Administrator for his operations charged to distributors in accordance with the provisions of the License.

1-51 Income - Special Assessments

This account represents income arising from Special Assessments made by the Market Administrator to distributors on any occasion authorized under the provisions of the License.

1-60 Auditing Service

This account represents any expenditures by the Milk Market Administrator for auditing service as may be required from outside Auditors.

1-61 Auto Expense

This account represents any expenditures for the use of automobiles that are properly chargeable to the Administrative Operating Fund.

1-62 Advertising and Publicity

This account represents the expenditure for any advertising and publicity properly chargeable to the Administrator's Operating Fund.

1-63 Contributions

This account is self-explanatory and represents any contributions made by the Market Administrator out of the Operating Fund.

1-64 Dues and Subscriptions

This account will represent any expenditure for dues and subscriptions out of the Administrator's Operating Fund as separate from any allotment to the Milk Industry Board or for Marketing Service.

1-65 General Expenses

This account will represent any unallocated expenditures not properly chargeable to other classified expenses under the administrator's operations.

1-66 Insurance

This account will represent all expenditures for insurance chargeable to the Administrator's Operating Fund.

1-67 Interest

This account will represent all interest expenses properly chargeable to the Market Administrator's Operating Fund.

1-68 Tegal

This account will represent all legal expenses incurred by the Milk Market Administrator arising out of the operations of his office.

1-69 Light

This account will represent the expenditure for any electricity properly chargeable to the Market Administrator's operations.

1-70 Milk Industry Board Allotment

This account will represent any allotment provided by the License payable to any Milk Industry Board or Council, in accordance with the authority for the establishment of such agency under the License.

1-71 Office Supplies and Stationery

This account will represent the monthly charges properly applicable to the Administrator's operations for stationery and supplies used.

1-72 Postage

This account will represent the expenditure for any postage chargeable to the Administrator's Operating Fund.

1-73 Rent

This account will represent any expenditures for rent of offices chargeable to the Administrator's Operating Fund.

,

1-74 Salaries

This account will represent the expenditures and occruals of all salaries properly chargeable to the Market Administrator's Operating Fund.

1-75 Surety Bond

This account will represent the cost of surety bonds for the Milk Market Administrator or other employees of his office as may be authorized and chargeable to the Market Administrator's fund.

1-76 Taxes

This account will represent the expenditure for any taxes assessed and payable against the operations of the Milk Market Administrator.

1-77 Telephone and Telegraph

This account will represent any charges to the Administrator's Operations for any telephone or telegraph services.

1-78 Traveling Expenses

This account will represent any expenditures chargeable to the Milk Market Administrator's office incurred as separate from Auto Expense, as classified separately.

EQUALIZATION ADJUSTMENT ACCOUNTS:

2-01 Equalization Adjustment Fund

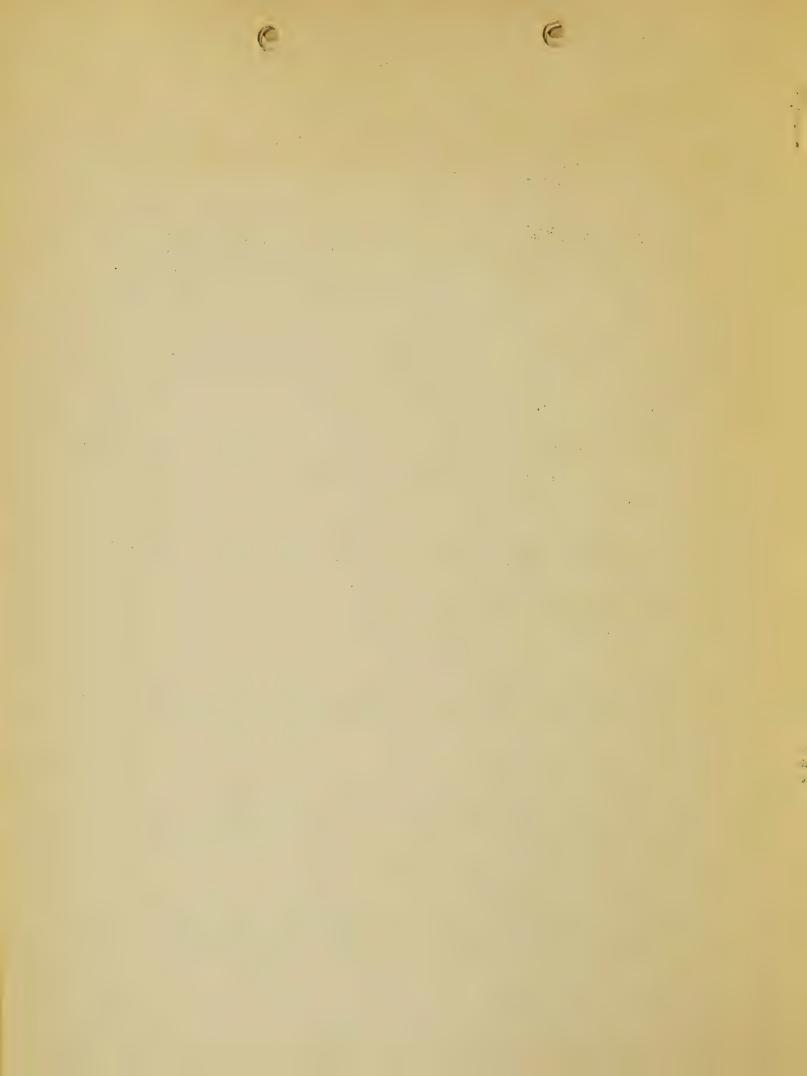

This account will represent the depository fund for all deposits from distributors and payments to distributors for equalization adjustments for milk purchased from producers with the sales use of milk under the provisions of the License.

2-02 Contingent Reserve Fund

This account will represent the depository fund as may be provided by the License for any contingency that may arise out of the default of any distributor to make payment to the Market Administrator for equalization adjustments.

2-03 Distributor's Surety Fund

This account will represent the depository fund of any sums advanced by any distributor to guarantee surety of the payment for his milk to producers (see contra-liability Account 2-31).

2-10 Accounts Receivable - Distributor's Adjustments

This account will represent the charges to distributors for any amount due by the distributor to the Market Administrator for equalization adjustment between the purchases and sales use of milk.

2-30 Accounts Payable - Distributor's Adjustments

This account will represent amounts payable to distributors arising out of adjustment of his equalization account from purchases and sales use of milk.

2-31 Distributor's Surety Accounts

This account will represent the liability of the Market Administrator for the deposit of any distributor representing surety of his payment for any milk purchased from producers.

2-40 Adjustments Accrued

This account will represent any adjustments arising out of the computation of a blended price of milk whereas fractions exist and can not be allocated in the payment but are accrued to the succeeding period.

2-41 Reserve for Default of Equalization Payments

This account will represent the reserve set aside (See Account No. 2-02 Contingent Reserve Fund) for any default of a distributor in making equalization payments provided by the License.

MARKETING SERVICE ACCOUNTS:

3-01 Marketing Service Fund

This account will represent the depository fund for payments made by distributors for marketing service as provided by the License.

3-10 Accounts Receivable - Non-Association Members

This account will represent the amounts due for assessment to distributors deductible from prices paid producers for milk purchased, such assessments to be used to provide marketing service to non-member association producers.

3-11 Accounts Receivable - Association Members

This account will represent the amounts assessed distributors as deducted from association producer members for marketing service, provided by a producers association. Such payment, in turn, being made to the producers association (See Account No. 3-31 Due Associations).

3-30 Vouchers Payable

This account will represent unpaid invoices for service rendered and expenses chargeable to the Marketing Service furnished by the Market Administrator.

3-31 Due Associations

This account will represent collections made by the Market Administrator from distributors for marketing service provided producers or members of a producers association.

3-40 Marketing Service Operating Balance

This account will represent the operating balance or surplus arising out of the operations of the Marketing Service provisions of the License.

3-50 Income - Marketing Service Assessments

This account will represent assessments to producers as deducted by distributors for Marketing Service which will be rendered by the Market Administrator's office to producers.

3-60 Advertising and Educational

This account will represent expenditures for advertising and additional services for the promotion and marketing of producers milk, who are not members of a producers association.

3-61 Auto Expense

This account will represent auto expenses chargeable to the Marketing Service performed by the Market Administrator's Office.

3-62 Credit Protection

This account will represent any expenditure necessary for the protection of distributor's credit in so far as payment to producers, who are not members of any producers association, is concerned.

3-63 General Expenses

This account will represent the payment of any expenditures not properly assignable to other expense accounts under the Marketing Service Classifications.

3-64 Hauling

This account will represent the expenditure for any hauling necessary to perform testing and service to non-producer association members of the Milk Market.

3-65 Insurance

This account will represent the expenditure for any insurance chargeable to the Marketing Service Operations of the Market Administrator.

3-66 Light

This account will represent the expenditure for any electricity which is chargeable to the Marketing Service Operations of the Market Administrator.

3-67 Marketing Information

This account will represent the expenses of providing any marketing information to non-association producers.

3-68 Office Supplies and Stationery

This account will represent the charges for any office supplies and stationery applicable to Marketing Service Operations of the Market Administrator.

3-69 Postage

This account will represent any postage expenses chargeable to the Marketing Service Operations.

3-70 Rent

This account will represent any expenditure for rent of office space chargeable to the Marketing Service Operations.

3-71 Salaries

This account will represent the expenses or accruals for any salaries chargeable to the Marketing Service Operations.

3-72 Telephone and Telegraph

This account will represent the expense of any telephone and telegraph charges applicable to the Marketing Service performed by the Market Administrator.

3-73 Testing and Weighing

This account will represent any testing and weighing expenses other than salaries (as provided in Account 3-71) performed by the Market Administrator as a marketing service to non-association producer members.

3-74 Traveling Expenses

This account will represent any travel expenses incurred by employees furnishing marketing service to non-association producer members as separate from Auto Expense (provided in Account 3-61).
